PROJECT MEETING IN UDINE

The SKILLS REC project meeting nr.4 took place in Udine, Italy on the 29th of May 2023. Hosted by the Italian partner *Università delle LiberEtà del FVG*, the representatives of all partners joined the full day working session, which was very productive indeed.

The main topics covered were the final revision of IO2 “Model for the Recognition, Validation and Certification of adult’s non-formal skills” and exchange of feedback about its applicability during the multiplier events in each partner country. Thanks to the great results and fruitful cooperation, partners also discussed the chance of working together on future projects!
